

BRONZE SUB

IN-ROOM, IN-CEILING, IN-WALL

BRONZE SUB

IN-ROOM, IN-CEILING, IN-WALL

Triad's Bronze Sub's dynamic performance combines with discreet appearance in virtually any household setting.

Hear and feel deep, compelling bass with control and accuracy—experiencing impactful low frequencies which enhance and enrich movie soundtracks and music alike.

These subwoofers deliver unmatched performance with studio-grade drivers and sealed, internally braced enclosures.

Long-throw woofers produce enhanced output and substantial impact with ultra-low distortion. Triad's subwoofers combine superior quality and efficiency, completing your soundscape with precision and power in any application or environment.

Triad offers two perfectly matched subwoofer amplifiers for these subwoofers—the RackAmp 300 and RackAmp 700. Both amplifiers have been engineered and tuned to bring out the best in these subwoofers and your system.

In an industry of generic, mass-produced products, Triad's handcrafted sealed-box enclosures deliver detailed acoustics and effortless playback, actualizing the artist's intent.

FEATURES

- 10" ultra-low distortion, long throw woofer
- Passive subwoofer
- Internally braced cabinet design
- High power handling and high SPL output
- Fully-engineered, acoustic suspension premium MDF enclosure
- Custom paint-matching service included

IN-ROOM

- Veneer finishes available
- Available in 4-ohm version

IN-CEILING

- Needs only 10" of ceiling space
- Acoustiperf frameless metal grill
- Available in 4- or 8-ohm versions

IN-WALL

- Requires 6" of depth
- AcoustiPerf frameless metal grill
- Available in 4- or 8-ohm versions
